OBJECTIVE To gain employment as a graphic designer in a creative and artistically passionate environment.

EDUCATION **2005 - 2008** **Fanshawe College** where I obtained my advanced Graphic Design Diploma.
London, ON

EXPERIENCE **2008 - Present** **Euofase Inc.** is an architectural lighting company that creates high quality light fixtures, priding themselves in their unique and creative designs. The work that I do in their in-house art department includes packaging, instructions, showroom labels, POP displays, press kits and advertisements for well known interior design magazines.
Richmond Hill, ON

2008 - Present **Freelance Web Design.** I have created websites for various clients in a variety of subjects including tanning companies, wedding vocalists, wood manufacturers and landscapers.
Toronto, ON

2007 **London Social Magazine** internship working directly with the Art Director. While working here I had the opportunity to create magazine advertisements, promotional posters, page layouts, logos and other projects.
London, ON

2006 **The Interrobang** is Fanshawe College's campus newspaper. During my second year of college I created various page layouts, advertisements, promotional posters and event tickets for the newspaper.
London, ON

SKILLS **I'm good at** both print and web design, branding, and illustration.

I am fluent in Illustrator, Photoshop, InDesign, Dreamweaver, Fireworks, Flash and Corel Painter

I understand HTML, CSS, Actionscript and Quark

I can use Mac OSX and Windows XP

OTHER **2008** Ad of the Month Award from Metropolis Magazine : September & November 2008.

2008 Second place in a London Fire Department Billboard Competition.

2007 First place in Winks Eatery Specials and Entertainment Menu Competition

2006 Second place in Angry Agency's Band Promotion Contest.
